

Forgot Password? Please follow the below simple steps:-

1. Log onto our Biocon Corporate Website by visiting www.biocon.com -> Careers -> Job Opportunities.

2. Click on "Prospective Candidate"

3. Click on “Logon”

The screenshot shows a web browser window with the URL www.biocon.com/biocon_careers_prospective.asp. The page features a navigation menu on the left with options like 'Overview', 'Biocon Values', 'Succeeding at Biocon', 'Life at Biocon', 'Job Opportunities', 'Prospective Candidate', 'Recruitment Partner', 'Internship Opportunities', and 'Home'. The main content area includes a series of questions: 'Do you have it in your DNA to achieve new leaps and bounds of success?', 'Do you believe that you possess the skills to be a part of Biocon?', and 'Do you have the passion and commitment to make a measurable difference?'. Below these questions, a section titled 'Follow these steps to be considered for an opportunity to work at Biocon:' lists three steps: 'Search' (Check for existing jobs and current openings, and choose the most appropriate for you.), 'Register' (Create your very own user profile, an online version of your CV/Resume.), and 'Logon' (Access your profile with your user ID & Password along with checking your application status.). A red arrow points to the 'Logon' button. On the right side, there is a sidebar with a photo of a person in a lab coat, a 'How to Register? User Manual - Download' link, and contact information for the E-recruiting Module: 'Contact: Mr. Sai Kiran', 'T: +91 80 2808 2325', and 'E: Saikiran.Kalluri@biocon.com'.

4. Click on “Forgot Password”

The screenshot shows a web browser window with the URL https://bioess.biocon.com/sap/bc/webdynpro/sap/hrrcf_a_startpage_ext_cand?sap-client=300. The page features a large banner image with the text 'The difference lies in our DNA' and a background image of a person in a lab coat looking at a DNA double helix. Below the banner, there is a login form with fields for 'User *' and 'Password *', an 'Accessibility' checkbox, and a 'Log On' button. At the bottom of the form, there are links for 'Change Password' and 'Forgot your password?'. A red arrow points to the 'Forgot your password?' link.

5. Enter Username and the valid e-mail address you used when Registering with us

The screenshot shows a web browser window with the URL https://bioess.biocon.com/sap/bc/webdynpro/sap/hrrcf_a_pw_via_email_extern?return_url=%2fsap%2fbc%2fwebdynpro%2fsap%2fhrrcf_a_startpage_ext_cand%3fsap-client%3d%3f. The browser's address bar and tabs are visible. The main content area has a heading "Have you forgotten your password?". Below the heading is a paragraph: "If you cannot remember your password, you can request that an alternative password be sent to the e-mail address that you specified in your resume. Enter your user name and/or your e-mail address and request the password". There are two input fields: "User Name:" and "E-Mail:". Below the input fields are two buttons: "Request Password" and "Back to Logon". A speech bubble annotation points to the input fields with the text: "Enter your Username & Valid E-mail Address initially provided when registering".

You will receive an e-mail with a PDF attachment with details of the new password.

Use that new password to re-attempt to “Logon” into the e-Recruitment system.
